<p>Narrative</p>	<p>I have taught Computer Classes at St. Catherine of Siena School in Fort Thomas to Grades 1 through 8 since July, 1999. I also served as the Technical Coordinator. Retired July, 2007.</p> <p>In July 2000, I accepted a second position as Technical Coordinator at St. Therese School in Southgate. As a Technical Coordinator, I support all the computers in the school.</p> <p>In August 2006, I started teaching Computer classes at St. Joseph Academy in Walton, KY to Grades 4-8. Resigned May, 2007.</p> <p>My previous career includes 34 years at Cincinnati Bell (Telephone Company and CBIS) in Cincinnati, Ohio where I retired in 1995 as an Assistant Vice President. I was a Computer Programmer, Systems Analyst, Information Systems Manager, Director, then Assistant Vice President. In the latter years, I was a key leader for several international software development projects including projects in Japan and Australia.</p> <p>After I retired from CBIS in 1995, I worked as a computer software consultant until I retired a second time in 1998.</p> <p>I have over 40 years experience in the computer software industry.</p>
<p>Homelife</p>	<p>Married with 4 children, 3 step-children and 19 grandchildren. Member of St. Thomas Parish in the south end of Fort Thomas.</p>
